

Newfield Planning Board Min.

Dates: November 6 2013 8:08 pm

Attendance: Denise, Gloria, Robin, Anthony, Ben, Skip

Topic	Discussion	Decision
Review of minutes from last meeting	Changed best management business practice to best management practice pertaining to water runoff	Ben made motion to accept corrected minutes, Robin second, vote unanimous
Public comment	None	•
Old Business Meeting location Steve Sanborn:	Ben spoke about the selectman's meeting on October 15 about moving the meeting to the public safety building for 3 months, December, January and February. Gloria does not feel the town data supports the closure of the town hall for the winter months. Robin is concerned about moving all material for 3 months and then a move back. A temporary move is not practical a permanent move would be better or stay at the town hall? Could the water be drained and the planning board get a porta potty and still meet at the town hall. Did not attend the meeting as asked. Trying to get Steve to attend a meeting for Shore land zoning .	<ul style="list-style-type: none"> • A Motion was made by Denise to be put on the selectman's November 12 2013 agenda to further discuss a meeting location, Robin seconded, vote unanimous
