Sherma Allen- concerned with a piece of property on Mirror Lake. No quit claim issued after she paid the late taxes back in 1998. Secretary will research and get back to her.

Mike Falkiewicz- Chellis Road- Inch of slush that froze and potholes. Why were they not scraped? State the roads in 2010 and 2011 were clean. Stated he will take out an ad in the paper stating the poor road conditions. It is unacceptable. Stated that the operator scraping road raised the front blade of plow and was not scraping. Casey – log of snow events. Temperature is indicative of snow and ice pack. Went down Wednesday after Selectmen's meeting of 1-7-14 and sanded the road.. A load of salt and possibly 2 will be ordered. Casey will apply when temperatures will allow it to melt the road to bare tar.

Road Commissioner and Bof S discussed moving the sand onto Dave's property and leaving some for town landowners. During the ice storm the road crew was having difficulty with all the people parking and getting sand, not allowing them in to get sand for the roads.

Received a report from the Ethan Stone directors, cutting a check for the scholarship fund.

Bof S would like the School Directors to meet with them before the Finance Committee meeting and to meet with periodically to discuss what is happening at the schools.

Check into cellphone for 1st Selectman (Straight Talk) at WalMart.

NOTE: on the A/P warrant of 1-21-14 , correct the A/P for window damage to Public Safety Building maintenance. Per Select Board.

Meeting adjourned at 8:35 p.m.
