

Selectmen's Meeting Minutes

December 3, 2013

Open with pledge of allegiance at 7 :00 p.m.

Signed A/P and payroll warrant. An error was noted on a check and will be corrected tomorrow.

Signed minutes from previous meeting of November 26, 2013.

Discussed a "hazardous materials " day at the Transfer Station. Will co-ordinate with the State when they do it in July.

Keys for the PSB back door were given to vice-chair of Planning Board

Upcoming Public hearings will include
Road discontinuance- Jones Road
Building Committee
New website
Possible shoreland changes from Planning Board.
Changing tax billing to twice a year.

From a 3/3 vote a 15 yard container will be ordered for the ash from the burn pit. Will be scooped out every 3 inches and put in container and covered. When full, will be tested and Pine Tree will haul off.

Vice chair of Planning Board was asked to bring up at their meeting what they want for signage at the PSB. Transfer Station sign will be moved in Spring.

Bruce donated and Bill Turgeon fixed a snowblower for the Transfer Station for around the Containers. Thank you!

Will ask Dave Tarbox to scratch out an area for the steel pile. Will be getting bids for 24x24 cement pad.

New years Eve dance was mentioned if Reggie is available. A concern with liability was brought up. Should be a deputy on duty, and some other non-profits might be interested in doing it and donating to the Heat Assistance.

Meeting adjourned at 7:22 p.m.

Bruce Colwell

Wanda Neville

Jeffrey Cuevas

:

ADDENDUM:

Gloria voiced some concern over the storage of the mylar maps. Was asked to check and see if there was a lock on the file cabinet and a key could be made for it.
