Limerick Board of Selectmen- Bob Devilleneuve, Sonny LePage.  
Mike LaLonde, FR Carroll, Mike Moulton, Bob Burnham, Gloria Dyer. Mrs. Illig and son (Boy Scouts)

Discussion regarding the Town line with Limerick. 2/3 want a full boundary certification and certification to be paid by Limerick. Limerick Board wants to cooperate but feels the \$15,000 is out of the question. Limerick Board feels that a mutual agreement can be made. Mike LaLonde would use the 1822 deed and find point and line it up from there. Limerick agreed to pay the \$800 fee for the line. Newfield Board agreed 2/3

FR Carroll stated that the posts weren't actual line markers. He had good intentions for the town posts. He had replaced at least 25 different town posts.

A concern was brought up regarding taxation –what if the line runs through Mike Moulton's house. Both towns tax?
