NEW BUSINESS

- Paul Colwell; RE: Complaint about transfer station. On 5/30/2018 an employee of Jeffrey Cuevas (Selectman) was seen at the Transfer Station and was allowed to dump cardboard. Paul indicated that he even went over to Ken and Chuck to inform them he was not a property owner and they still let him dump. Shelly indicated that she has spoken to the three attendants and he has not been dumping since the contract was renewed. Jeff indicated that when he was made aware of this he contacted the employee to inform them under no circumstances were they to be using the Newfield dump to dispose of cardboard. Jeff indicated that this has not happened since we had to start paying for our recycling. The question now arises that how to we monitor where trash is coming from?
- Ken asked about picking in the metal pile. He caught a couple of repeat offenders and would like to know what we will do about it. Jeff mentioned getting fencing installed to keep people out. Board agrees. Jeff to call Fence Company for a quote.
- We have received a few verbal complaints regarding the speeding on Sanborn Road. Shelly indicated that 2 residents on the road have informed the Sherriff's Office.
- The Public Hearing for the Rescue referendum question was held on Saturday. 12-13 people in attendance including Select Board, most of the others were from Rescue. It lasted about 15 minutes and there were only a couple of questions.
- Shelly attended the "retirement" part for Dick McGlincey. He loved the plaque and she picked up flowers and a card for Hazel.
- The Select Board will meet with Jason Carnes (Carnes Roofing) at the PSB at 1:00 pm June 6<sup>th</sup>. Nichole to post notice.
