

## Population & Demographics Goals, Policies and Strategies

**Goal:**

**Preserve Newfield’s character and maintain a community that is attractive to live in, accommodating residents of all ages and backgrounds.**

<u>Policy</u>	<u>Strategy</u>	<u>Responsibility</u>	<u>Target Dates</u>
Plan for expanded access to infrastructure such as high speed wifi and communications and utilize existing facilities as a community center for public events	Work with Maine Department of Economic and Community Development to access rural programs	Select Board, Planning Board	
	Host educational and artistic events at the Town Library	Select Board, Planning Board	
Maintain active social media presence and organize town-wide events that utilize Newfield’s vast recreational resources	Establish twitter and Instagram accounts, publicizing Newfield’s amenities and public services, including broadcasting of local meetings and posting scenic photographs	Select Board, Planning Board	
	Host trail walks at the Vernon Walker Wildlife Management Area and events that promote both Newfield agriculture and recreation (for example, apple picking or syrup production)	Select Board, Planning Board
