

## Public Facilities and Services Goals, Policies and Strategies

**Goal:**

**Provide the residents, businesses, and visitors of Newfield with accessible and reliable services and infrastructure.**

<u>Policy</u>	<u>Strategy</u>	<u>Responsibility</u>	<u>Target Dates</u>
Increase number of residents able to access multiple floors of Town Hall and Town Board and Committee Meetings virtually	Allow town staff to provide documents and services on all floors (and outside) of Town Hall	Select Board	
	Create YouTube and Facebook Pages for the Town, posting and/or livestreaming public meetings and events on town pages	Select Board, Planning Board	
Maintain and allocate funds to Capital Improvement Plan based on inventory analysis in Chapter Six of the Comprehensive Plan and previous assessments done by the town	Work with Fire Department, York County Sherriff's Office, Road Commissioner and residents to identify most needed services and facilities (through survey or other means)	Select Board, Planning Board	
	Work with MaineDEP to identify areas in town most suitable for public water and sewer. This will give the town the potential to map desired, appropriate areas for growth	Select Board, Planning Board
