

Transportation Goals, Policies, and Strategies

Goal:

Provide for the safe travel of all in Newfield by all modes, making services in town and in adjacent areas accessible by an interconnected transportation network that is kept in a state of good repair.

<u>Policy</u>	<u>Strategy</u>	<u>Responsibility</u>	<u>Target Dates</u>
Create capital improvement plan of local roads, working with MaineDOT and Southern Maine Planning & Development Commission (SMPDC)	Utilize Road Surface Management Software (RSMS) provided by SMPDC, or purchase RSMS software for town use	Road Commissioner, Planning Board	
	Incorporate small improvements when town roads are repaved or rebuilt, including but not limited to striping, brush trimming, signage and curb installments	Select Board, Road Commissioner	
	Work with MaineDOT to distribute pedestrian reflective gear to residents in town	Select Board, Planning Board	
Increase safety and connectivity of Road network and transit opportunities	Work with York County Community Action Corporation to establish formal service in Newfield to connect to Waterboro and Sanford, and educate residents of transit options	Select Board, Planning Board
